Mimi the Angel™ Goes Green!

Mimi Publishing Inc. has partnered with Harmony Printing to print their second book, *Mimi the Angel Visits the Hospital* which will be out mid-June 2007. Harmony Printing (www.harmonyprinting.com) has been a pioneer in the printing field to reduce their impact on the environment. Harmony Printing is pleased to report that it has received its certification with the Forest Steward Council (FSC). The Forest Stewardship Council is an international, member-based, non-profit, organization that supports environmentally appropriate, socially beneficial and economically viable management of the world's forests (www.fsc.org).

According to Geordie Seed, Sales Manager for Harmony Printing, "this certification is an integral step in Harmony Printing's environmental initiatives agenda and supports our firm commitment to providing sustainable business practices." Mimi the Angel™ and Mimi Publishing Inc. is proud to partner with Harmony Printing and support the environment by choosing more environmentally friendly paper choices. Protecting the planet's forests is a strong focus of Mimi the Angel's mission on Earth. Look for book 3 sometime in 2008 where *Mimi the Angel Helps Mother Nature*.

Remember, together, we can make a difference!
